EDUCATIONAL CENTER

## ► **Getting here and getting around**

The **Threefold Community** is located in the village of Chestnut Ridge, NY (sometimes still referred to as Spring Valley). It is 2 miles north of the New York/New Jersey border, 11 miles west of the Tappan Zee Bridge, and 18 miles north of the George Washington Bridge, near the intersection of the Garden State Parkway and the New York State Thruway (I-87 / I-287).

### ► **BY CAR, FROM THE SOUTH**

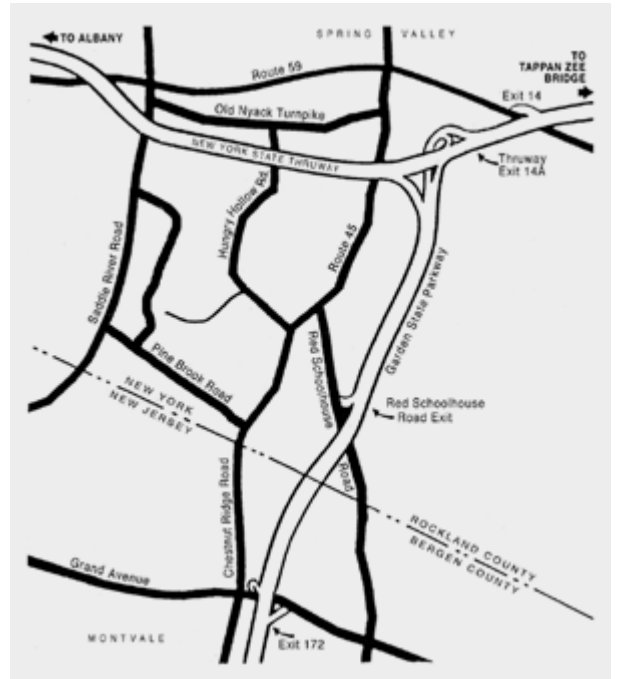

Take the Garden State Parkway north to Exit 172 (Grand Avenue). Turn left at the bottom of the ramp, then right at the stoplight onto Chestnut Ridge Road (which becomes Route 45 in New York). Continue about two miles, through two traffic lights, across the New York State line and a third traffic light. Just past the first sign for Green Meadow Waldorf School on your left, turn left onto Hungry Hollow Road.

### ► **BY CAR, FROM THE NORTH, EAST, OR WEST**

Take the New York State Thruway (I-87 / I-287) to Exit 14A (Garden State Parkway). Take the first exit (Schoolhouse Road). Turn right at the bottom of the ramp onto Red Schoolhouse Road. At the "T," turn left onto Chestnut Ridge Road (Route 45). The first right turn, just past the Hungry Hollow Co-op, is Hungry Hollow Road.
