### **Accommodations**

Threefold Educational Center offers reasonably priced dormitory rooms for people attending our courses, workshops and events; visit [www.threefold.org/housing](http://www.threefold.org/housing), or contact the dormitory manager by email ([holderhouse@threefold.org](mailto:holderhouse@threefold.org)) or phone (845-352-9660).

In addition, rooms are sometimes available in private homes nearby. This community housing is offered mainly for visitors with children, and as an option for adults without families when the dormitory is full.
