## About the 2010 Research Fellowship

A detailed description of the 2010 Research Fellowship can be found at [www.threefold.org/research](http://www.threefold.org/research).

1. **Fellows can enter the program on one of two tracks:** In the **Apprenticeship Track**, fellows will work on projects assigned by Frank Chester. Fellows in the **Research Track** will bring an existing project or question that can be moved forward through applying the research methodology. Please indicate:

I wish to apply for the \_\_\_ Apprenticeship Track *or* the \_\_\_ Research Track (select one)

2. Please indicate what skills you have: \_\_\_ Welding \_\_\_ Soldering \_\_\_ Woodworking  
\_\_\_ Model making \_\_\_ Other \_\_\_\_\_
3. While there are no set prerequisites for the fellowship, certain expectations apply. The fellowship requires a significant commitment of time and effort. In addition, prospective fellows should be self-motivated and willing to learn; be able to work both independently and collaboratively; and be able to work with their hands, and have an understanding of basic materials. Please submit a written statement of no more than 1,000 words that includes:
  - o A brief biographical sketch.
  - o A description of your understanding of spiritual research.
  - o *If you are applying for the Apprenticeship Track*, please describe the interests you are pursuing in this opportunity to directly experience Frank Chester's research methods.
  - o *If you are applying for the Research Track*, describe the research project that you intend to bring to the Fellowship, and how you hope the fellowship can help advance your work.
