REPORT OF INDEPENDENT AUDITORS

To the Board of Trustees of

Threefold Educational Foundation and School

We have audited the accompanying combined statement of financial position of Threefold Educational Foundation and School (a Not-for-Profit organization) as of June 30, 2012 and the related combined statements of activities, functional expenses and cash flows for the year then ended. These combined financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these combined financial statements based on our audit. We did not audit the financial statements of Green Meadow Waldorf School (GMWS), which statements reflect total assets of \$8,756,779 as of June 30, 2012, and total support and revenues of \$5,542,120 for the year then ended. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for GMWS, is based solely on the report of the other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the combined financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit and the report of other auditors provide a reasonable basis for our opinion.

In our opinion, based on our audit and the report of other auditors, the combined financial statements referred to above present fairly, in all material respects, the financial position of Threefold Educational Foundation and School as of June 30, 2012, and the changes in its net assets, and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO COMBINED FINANCIAL STATEMENTS June 30, 2012

NOTE 1 - ORGANIZATION:

Threefold Educational Foundation and School ("The Organization") is the umbrella Organization for Green Meadow Waldorf School (GMWS), Eurythmy Spring Valley (ESV), Creative Speech Spring Valley, Pond, Fiber Craft Studio, Otto Specht School, Holder House and Pfeiffer Center. The Foundation provides support services for the above named institutions and other educational and cultural activities based on anthroposophy and the work of Rudolf Steiner. Foundation operations allocate the costs of some rents and administrative support to these Organizations. The forgiveness of these costs is included in revenue shown as net of remissions. GMWS provides academic programs with a reliance on the Rudolf Steiner philosophy to children from preschool through twelfth grade. ESV provides professional training in Eurythmy, a performance art which has applications in medical and occupational therapies and in education. Threefold Educational Foundation is exempt from income taxes under Internal Revenue Code Section 501(c)(3).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

All financial transactions have been recorded and reported as either unrestricted, temporarily restricted, or permanently restricted net assets:

Unrestricted net assets consist of investments and otherwise unrestricted amounts that are available for use in carrying out the objectives of Threefold Educational Foundation and School, and include those expendable resources which have been designated for special use by the School or the Board of Trustees.

Temporarily restricted net assets represent those amounts which are donor restricted for specific purposes. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported on the statement of activities as net assets released from restriction.

Permanently restricted net assets result from contributions from donors who place restrictions on the use of the funds which mandate that the original principal be invested in perpetuity. This original principal is reported as a permanently restricted net asset, the income from which may be either temporarily restricted or unrestricted, depending on the donor's specifications.

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets.

The Organization records donor-restricted contributions whose restrictions are met in the same reporting period as unrestricted support.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED) June 30, 2012

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Cash and Equivalents

The Organization uses the indirect method of presenting the statement of cash flows. Investments with a term to maturity of thirty days or less at the time of acquisition are considered to be cash equivalents.

Investments

Investments, comprised of equity and debt securities, are reported at their fair market values in the statement of financial position. Realized and unrealized gains and losses are included in the statement of activities.

Fair Value Measurements

The Organization follows Financial Accounting Standards Board guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

Accounts Receivable

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on accounts receivable using the allowance method.

Property, Plant and Equipment

Property, plant and equipment are stated at cost or fair value at date of donation. Depreciation is calculated using the straight line method. Estimated lives of the categories are generally as follows:

Buildings and Improvements
Furniture and Equipment

50 years 10 years

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Reclassification

The financial statements of GMWS have been audited by other auditors and a separate financial statement is available under separate cover. Certain accounts have been combined to conform to the combined format.

NOTE 4 - MORTGAGE AND NOTE PAYABLE:

In connection with improvements to its property, Threefold Educational Foundation is obligated on a note payable to Rudolf Steiner Foundation, Inc. The note of \$300,000 is collateralized by property located at 285 Hungry Hollow Road in Chestnut Ridge, New York. Commencing February 15, 2006, and continuing up to and including May 31, 2015, principal and interest accrued on this note shall be payable on the fifteenth day of each month. Currently, installments of \$2,756.38 calculated at a 5% interest rate are payable each month. The note was paid in full in April 2012.

ESV is obligated on a note without interest, due on demand for \$3,000.

GMWS is obligated on a mortgage payable collateralized by the property located at 24 Joyce Drive in Chestnut Ridge, New York. Monthly installments include principal, fee amortization, and interest calculated at 5.5% and is due up to and including October 1, 2016. Principal balance due at June 30, 2012 is \$358,975.

2015	113,956
2016	412,778
	<u>\$ 738,223</u>

NOTES TO COMBINED FINANCIAL STATEMENTS (CONTINUED) June 30, 2012

NOTE 5 - PENSION PLAN:

The Organization has a defined contribution (money purchase) plan which covers substantially all salaried employees. Contributions are applied to individual annuities issued to each participant by the Teachers Insurance and Annuity Association and/or College Retirement Equities Fund. Annual contributions are required of all participating employees according to the following schedule:

- 1. The employee has worked two years for the Organization or was a member of a previous pension plan.
- 2. Employer contributions for eligible employees are 10% of compensation.
- 3. Minimum of 5% employee contribution.

Contributions for the year ended June 30, 2012 were \$270,528.

NOTE 6 - ENDOWMENT FUNDS:

The Organization's endowment consists of approximately six individual funds established for a variety of purposes. Its endowment includes both donor-restricted funds and funds designated by the Board of Trustees to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

As of June 30, 2012, the Board of Trustees had designated \$906,500 of unrestricted net assets as general endowment funds to support the mission of the Organization. Since that amount resulted from an internal designation and is not donor-restricted, it is classified and reported as unrestricted net assets.

The Board of Trustees of the Organization has interpreted the New York State Prudent Management of Institutional Funds Act (NYPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by the Management of Institutional Funds Act (SPMIFA). In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds. (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Cash held at TD Waterhouse for GMWS is not insured.
